

Success Story

Mary, I just wanted to let you know how very blessed I am to be able to work with you to earn money for the Women of Faith Event. The past couple of years have been *AMAZING* to say the least. I cannot begin to tell you the women whose lives have been impacted for the better because they were able to attend Women of Faith. Mary, this *would not have been possible* had it not been for the fundraising my group has done using the **Jessica Sanders 1200 Thread Count Sheets**. Many of these ladies have paid for their Ticket, Tee Shirt and Hotel room. It was so easy the first time around that here we are in 2012 and ladies are at it again!

The women honestly discovered a nearly effortless way to pay for their ticket. The Jessica Sanders sheet sets are top quality 1200 thread count sheets. And... the best part is they sell themselves.

Since paying off my own Women of Faith ticket, I also have sold enough Sheet sets to bless another friend WITH A FREE WOF TICKET! Yes, I have sold over 20 sets of sheets without having to do anything more than bring a sample of swatches to work. Once the first set was bought, others saw and felt the quality of the product and were eager to get their own. One of my customers is buying a set every month for six months. So I can easily pay half of another friend's WOF ticket! I tell everyone I run into if you are planning to go to Women of Faith and you need a little help paying for your ticket, let me know. You'll soon see how easy it is to earn the money for your ticket. I promise you will be amazed!

Again, I just want to tell you how easy these sheets are to sell and how much I enjoy doing business with you. Thank you for delivering on your promise. You may not know it, but God's Kingdom has grown because of you my dear.

Blessings & Joy,
