

WOW...what an awesome fundraiser. My daughters old gym did this fundraiser over a year ago for the first time. At first people were kinda skeptical about buying 1200 ct sheets and not knowing if it was the real deal or not. Once the first order came back and people saw them the orders kept coming in. I personally have sold over 130+ sets of sheets and have NEVER had a complaint. I even have repeat customers. Mary and her staff are wonderful. They are very friendly, answer all of your questions, are very easy to get in touch with and make this a non-stressful fundraiser. We also love that the sheets can now be ordered online for those customers that aren't close by or even out of state. Our new gym just placed a new order the week after Thanksgiving and in less than 2 weeks we received our order and everything was correct. Not to mention the wonderful profit that each girl made on the sets that she sold. Everyone needs sheets!! This is the best fundraiser that we have ever been a part of and it was super easy. Thank you Mary and Staff!
